How The Club Started

Boys and girls in Rotherham have enjoyed playing basketball for many years in Rotherham. It has become a much more popular sport recently. Sheffield Hatters are one of the most successful female teams in the country, but only cater for older girls and women. Boys have been able to play for the Sheffield Arrows or Sheffield Sharks for many years but have had to travel to do so. We decided 10 years ago to form Rotherham's own team. This year we have been accepted to play in the National League. We are always on the look out for new members. Fun for all ages 5 to 18.
